The FAA does not specifically recommend any particular institution. Students are advised to contact the institution directly to determine if it meets their needs and are encouraged to ask for references. All FAA-Approved Aircraft Dispatcher Certification Courses require a minimum of 200 hours of instruction. (14 CFR 65.61(a)(2))

All links tested 08/31/2011 If unresponsive, cut/paste or manually enter into browser Report bad links to Leo Hollis (below)

The list is based upon the most current information available. Please send updated information to Inspector Leo Hollis AFS-200 +202-493-5508 leo.d.hollis@faa.gov

Note: The column: FAA Principle Inspector reflects local office policy and complexity; the individual named may not necessarily be a Dispatch Inspector.

Note: The column: Nearest FAA DSI indicates the FAA Dispatcher Inspector physically closest to the Course operator for possible use as a resource and does not necessarily indicate oversight responsibility.
